

## How to order a Hot School Meal for your child

If you have told us that your child would like a hot school meal every day, and have filled in a registration form, a meal will be ordered automatically unless you tell us otherwise.

If your child is having a packed lunch every day, and you have filled in a registration form, you don't need to do anything else.

If your child will be having a hot school meal on some days, and a packed lunch on others, please complete a Menu Choice Form for the **whole 2 week period**, and return it to the school office.

We would ask all parents to make sure they have completed a Free School Meals Registration form, whether they are taking up the free meal or not.

### Special Dietary Requirements

A hot vegetarian option is available daily. Children with other special dietary needs can be catered for. Please ask at the School Office for details.

### Free School Meals

Children in Nursery eligible for Free School Meals can still receive a meal free of charge. Please ask at the School Office for information.

# The Lancaster School
