

Attendance for the week...

Our target is 96%

## Flu Vaccination

You will have now received on parentmail an online form for you to fill out to give permission for your child to have their flu vaccination in October (reception-year2). It is important you fill out the online form even if you do not want your child to have the vaccination. The flu team will be in the school playground on **Tuesday 2nd July from 8.30am** if you would rather fill out a paper form or are struggling with the online form.

## Clubs

Reminder to all parents that **all** afterschool clubs will finish the week commencing the **8th July**. We hope your child has enjoyed doing these clubs throughout the year. Clubs for next year will be announced in September.

## Parking

I am sure you have noticed that in the mornings and at the end of the school day the roads and the Church car park is dangerously busy. With this in mind please can we remind parents to not park on the road which leads to the car park and the entrance to our school. We are very concerned that a child may get hurt because of the inconsiderate parking of some drivers. As a pedestrian please do not congregate outside the school gates as this blocks the entrance meaning more people have to walk along the road.

Where possible, walk to school.

You can see some of the things we get up to each week by following our schools twitter page:
