

The Lancaster School Newsletter

Message from Mrs Bowman

Welcome back to school everyone, especially to all our new children and families. It was lovely to see everyone looking so smart in their school uniforms and so eager to come back to school. We have had a very settled week and are back into the swing of things already. We have lots of exciting learning planned for the coming term and look forward to sharing all the success with parents and carers too. The school looks lovely; Mr Creedy and all the teachers and teaching assistants have worked very hard during the holidays and we have had the outside painted and the hall too. We are ready to go for another highly successful year at The Lancaster School.

REMINDER

Please can we remind parents/carers not to park on the road opposite our school gates as it makes it very difficult for drivers to see children crossing the road.

Trim Trail

We are delighted that work on our new trim trail will be starting on Monday. Please be aware that building work will be taking place on the school site so please observe and follow any safety signs that are displayed. We would like to thank the Big Lottery for funding this improvement to our school facilities.
