Introduction

Principles

It is the responsibility of the governing body and the Headteacher to ensure that all members of the school community work within a safe and enabling environment.

We value pupils developing 'respect for others resulting from active listening, trust and honesty'.

Aims

We are determined to promote and develop a school ethos where bullying behaviour is regarded as unacceptable, to ensure a safe and secure environment is sustained for all pupils.

We aim for all pupils to reach their potential academically, socially and personally through learning and playing in a safe and secure environment.

Bullying Definition

At Forest Skies Federation, we discuss what bullying is, as well as incidents we would not describe as bullying, with all pupils through assemblies and PSHE lessons. We agree that:

- Bullying is usually physical hurting, name calling, giving unkind looks or leaving people out of activities/games.
- Bullying usually happens when the relationship is imbalanced.
- Bullying is usually on-going.

Types of Bullying

Cyber-Bullying

The rapid development of, and widespread access to, technology has provided a new medium for 'virtual bullying', which can occur in and outside school. Cyber-bullying is a different form of bullying which can happen beyond the school day into home and private space, with a potentially bigger audience, and more accessories as people forward on content.

Racist Bullying

This refers to a range of hurtful behaviour, both physical and psychological, that make the person feel unwelcome marginalised and excluded, powerless or worthless because of their colour, ethnicity culture, faith community, national origin, or national status.

Homophobic Bullying

This occurs when bullying is motivated by a prejudice against lesbian, gay or bisexual people.

Vulnerable Groups

We recognise that some groups of pupils may be more vulnerable to bullying, including:

- Looked After Children
- Gypsy, Roma, and Traveller children

- Children with Special Educational Needs or Disabilities (SEND)
- Children from ethnic minorities
- Children entitled to Free School Meals
- Children for whom English is an Additional Language
- Children who are perceived to be gay, lesbian, or bisexual

Bullying Prevention

Preventing and raising awareness of bullying is essential in keeping incidents in our school to a minimum. Through assemblies, as well as PSHE lessons, pupils are given regular opportunities to discuss what bullying is, as well as incidents we would not describe as bullying, such as two friends falling out, or a one-off argument. An annual 'Anti-bullying Week' is held to further raise awareness. E-safety is an important part of the Curriculum and information for parents is included in newsletters and on the School's website. E- safety workshops are held to raise parents' awareness of cyberbullying. Pupils are taught to tell an adult in school if they are concerned that someone is being bullied. School Rules

Our school rules are regularly promoted in assemblies and displayed throughout the school. Through pupils following these rules, and staff reinforcing them, bullying should be significantly reduced. Our school rules are as follows:

- We will show respect for everyone and everything by being kind with our words and sanctions.
- We listen and follow instructions by listening to adults and each other
- We are honest by telling the truth
- We try our best by showing resilience
- We set a good example because we are proud to be a member of our community

Behaviour Policy

Our Behaviour Policy includes rewards and sanctions which are used consistently, alongside restorative, positive relationships, to prevent inappropriate behaviour, and promote positive behaviour.

Responding to bullying:

All cases of alleged bullying should be reported to the Headteacher/Deputy Headteacher or senior member of staff. In any case of alleged bullying, either the Class teacher, the Headteacher, or a senior member of staff should first establish the facts, and build an accurate picture of events over time, through speaking to the alleged perpetrator(s), victim(s) and adult witnesses, as well as parents and pupil witnesses if necessary and appropriate. These are to be recorded on CPOMS.

If the allegation of bullying is upheld, the Headteacher (or senior leader) should seek to use a restorative approach with the perpetrator(s) and victim(s) together. The perpetrator(s) should fully understand the consequences of their actions on the victim(s) and apologise without reservation. Both parties should be clear that a repeat of these behaviours will not be acceptable.

All bullying incidents must be recorded via CPOMS. Parents of both parties should be informed.

If the situation does not improve, the Headteacher (or senior leader) should meet with the parent(s) of the bullying child(ren) and agree clear expectations and boundaries which would be shared with the pupils involved. Any further incidents should lead to intervention (e.g. through outside agencies), further monitoring, support and punitive sanctions as deemed necessary. Any necessary action should be taken until the bullying has stopped.

Signs of Bullying

Staff should be vigilant in looking out for signs of bullying or other child protection issues including:

Physical: unexplained bruises, scratches, cuts, missing belongings, damaged clothes, or schoolwork, loss of appetite, stomach aches, headaches, bedwetting.

Emotional: losing interest in school, being withdrawn or secretive, unusual shows of temper, refusal to say why unhappy, high level of anxiety, mood swings, tearfulness for no reason, lack of confidence, headaches and stomach aches, signs of depression.

Behavioural: asking to be taken to school, coming home for lunch, taking longer to get home, asking for more money, using different routes to school, 'losing' more items than usual, sudden changes in behaviour and mood, concentration difficulties, truancy.
